

Job Title: IP Litigation

Department: Litigation & Restructuring

Office: New York

Position:

Brown Rudnick seeks a highly-qualified 1st-3rd associate to join our Intellectual Property Litigation team. The IP litigation practice is high-tech focused—Technical background in areas such as electrical engineering or computer science is highly preferred. Successful candidates must have experience at top-tier peer firms or quality patent boutiques, and very strong academic credentials. Superior writing skills are required and interested candidates should submit a writing sample in addition to their resume, transcript, and cover. New York bar admission (or eligibility to obtain admission promptly) is required.

Qualifications:

Candidates must have outstanding academic credentials, and excellent written and verbal communication skills. Comparable law firm experience preferred.

Interested candidates should submit a cover letter, resume, and law school transcript to Molly Childs at employmentopportunities@brownrudnick.com.

Brown Rudnick is an Equal Opportunity Employer
