

Case Study: Aerovate Therapeutics, Inc.

Brown Rudnick Handled Recent Series A Financing for Life Sciences Client, Aerovate Therapeutics, Inc.

In August 2020, Brown Rudnick handled a Series A financing for our client, Aerovate Therapeutics, Inc. The investors included RA Capital, Soffinova Investments, Surveyor Capital - Citadel, Atlas Venture, Cormorant Asset Management, and Osage University Partners.

We were involved with the initial IP aspects and formation of this company and have driven development of the legal side up to and through the existing financing.

The Firm serves as IP and corporate counsel to Aerovate, and we develop IP for the company.

Aerovate is a biotechnology company focused on developing drugs that meaningfully improve the lives of patients with rare cardiopulmonary disease.
